

Both Interstate highways 5 south and 805 south merge at the San Ysidro, USA/Tijuana, Baja California, Mexico border crossing. After crossing the border, follow the signs (large green with white letters) that read "Rosarito-Ensenada Cuota" (Toll-Road). The 2 tolls are minimal (around \$2US each) and payable in either pesos or US currency.

Past Rosarito Beach and the second toll booth and continue south past Puerto Nuevo. Nine-ish miles south of Puerto Nuevo, exit at La Misión and turn left onto the frontage road (Carterra Libre).

You'll see Poco Cielo on the ocean side (your right) almost immediately, about 200 yards south of the exit. Park in front of our gates or across the street and come on in!
